**Registered in In Fellowship, yet?**

A cultural shift is happening at Newstart, and we want you to be a part of it. We are excited to become a much more connected church. An important first step is for you to create your Newstart In Fellowship Log In. Please go to [newstart4u.org](http://newstart4u.org) and click on the "Newstart In Fellowship" link towards the bottom of the page. Next, click "register" in the top right corner. The rest is self-explanatory. Be sure to "opt in" to the online directory on the security settings page. As the weeks go on we will explain all of the great uses for our In Fellowship site.

**FIRST IMPRESSIONS TEAM UPDATE**

Even with the many new people that have volunteered to serve on our First Impressions Team, we still need more! Specifically we are in urgent need of two individuals to serve during the first service. As you consider this serving opportunity, keep in mind that God has a spiritual growth plan for each of us. God's desire for us is to serve Him and His community of followers by being an active participant. Please don't sit on the sidelines, but use this as a call to get active in your spiritual development plan. Please call or email Darryl Deaton for more information.
